UMENYOYADO Green-Tea Umesu

Fresh green tea and gently roasted hojicha meet an umeshu made with both green and ripe fruit, giving its sweetness a clean, lightly bitter frame.

PRODUCER

Umenoyado Brewery

Umenoyado was founded in Katsuragi, Nara, in 1893. Its name recalls an old plum tree in the brewery garden and the nightingales that visited it. UMENYOYADO Green-Tea Umesu connects that long association with ume to two contrasting expressions of Japanese tea.
